

THE 2023/24 PROPOSALS CALL - FASHION SHOW FESTIVAL

The Department of Sport, Recreation, Arts and Culture (DSRAC) hereby invites arts communities, civil societies, as well as those service providers who have passion for the development of arts within the space of their communities to apply and submit proposals to drive the fashion show provincial festival of the department.

This festival seeks to lift areas of excellence in fashion that are existing in the province and ensure that they get space to showcase as part of integrative marketing in a hybrid (making use of physical as well as the online) mode.

Festivals details are explained as follows:

The department has set aside partial budget as seed funding for the winning proposal, looking at the proposed strategy for additional budget through partnerships as well as possible collaborations displayed by the proposal.

The fashion show will be spread over several days, happening in September 2023 in the Nelson Mandela metro.

Who is eligible for funding?

1. Must be a registered company/organization operating in the Eastern Cape.
2. Must be a tax compliant South Africa based company/organization who resides in the province, an arts and culture organization or enterprises that have interest in art.
3. The funding is based on the merits of the submitted applications with special focus on the displayed ability to source extra funding as top up or contributing with their own financial resources.
4. Must have a proven record of contributing to the industry whether through talent development or platform showcasing experience or hosting similar events.
5. Only one application per company/ organization in one funding cycle is allowed as no beneficiary will be considered for two funding proposals simultaneously.
6. Each company/organization must declare on the application if there is any other involvement with the department

Attachments needed for consideration of application are:
